JECeurope
COMPOSITES SHOW & CONFERENCES
PARIS MARCH 11, 12, 13, 2014

Dear Valued Customers,

We are pleased to inform you that we will be exhibiting at JEC Europe Show 2014 in Paris (France) being held at Porte de Versailles from March 11th (Tue) to 13th (Thu). Tsudakoma's exhibit is located at Pavilion 7.3, Stand P79.

It would be our pleasure to have you visit our booth, to allow us to introduce some of our composite machinery products such as Prepreg Slitter and Auto Tape Lay-up Machine.

Should you have a plan to visit, please feel free to contact us in advance so that we can send you email invitation for the free entrance ticket.

We look forward to seeing you at JEC Europe 2014 in Paris.

Best regards,

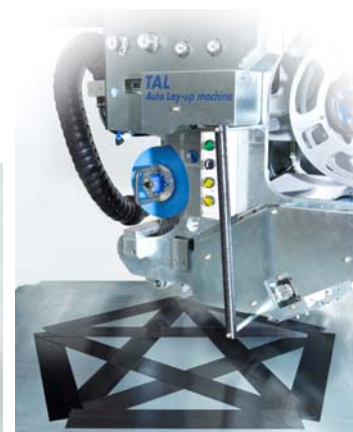

Kazuhito Sakai
