

Subject: JEC World Show 2018 in Paris

**JEC
WORLD
2018** The Leading
International
Composites
Show

Dear Valued Customers,

**Paris, France
March 6-7-8, 2018**

We are pleased to inform you that we will be exhibiting at JEC World Show 2018 in Paris(France) being held at Paris Nord Villepinte from March 6th (Tue) to 8th (Thu).

Tsudakoma's exhibit is located at Hall 6, Stand D65.

We sincerely hope that you plan on attending the show, would like to introduce some of our composite machinery products such as Prepreg Slitter, Auto Tape Lay-up Machines with additional features, Preforming machine, Aerospace in-line machines, and Carbon fiber weaving machine (Rapier loom). You will find our new models engaged with new features.

Should you have a plan to visit, please feel free to contact us in advance so that we can send you e-invitation for the free entrance badge.

We look forward to seeing you at JEC World 2018 in Paris.

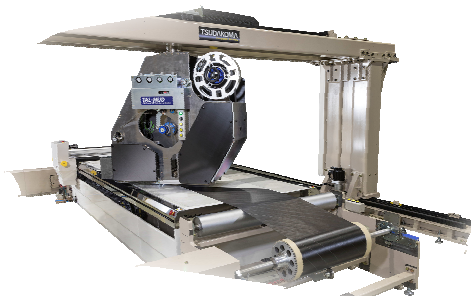

Best regards,

K. Sakai
